Greetings PATH Intl. Equine Specialist in Mental Health and Learning Workshop & Horsemanship Skills Test participants!

The upcoming PATH Intl. Equine Specialist in Mental Health and Learning Workshop and Horsemanship Skills Test hosted by Dream Riders of Kentucky, Inc. is right around the corner. We are looking forward to welcoming you all to our program for a valuable educational experience.

Please find the attached the schedule of events for the workshop and horsemanship skills test. The workshop will begin on October 5th at 8 a.m. and end on October 7th at 5:30 p.m. **Note that the workshop does NOT include practice of equine handling skills or the horsemanship skills test.** Horsemanship skills test candidates will have an opportunity to ask questions from 5 to 5:30 p.m. on the third day of the workshop and then you may walk the obstacle course. The horsemanship skills testing will start at **8 a.m. in the morning**. You will not need to be on-site all day on skills test day, only around an hour from the time your test is scheduled, although you are welcome to come early and quietly watch others do the obstacle course part of the test. Please let me know if you are traveling a far distance or need to work around flight arrangements so we can take that into consideration when assigning your test times.

All workshop and skills test participants should bring copies (printed or downloaded) of the PATH Intl. Equine Specialist in Mental Health and Learning and [ESMHL Certification Application and Handbook](#) PATH Intl. Equine Specialist in Mental Health and Learning [Criteria Booklet](#) which are available on here and on the PATH Intl. website.

These booklets should also be reviewed prior to attending the workshop, especially the criteria for the horsemanship skills test and the obstacle course map. **Also, all workshop and skills test participants should bring copies (printed or downloaded) of the PATH Intl. Equine Specialist in Mental Health and Learning Workshop Student Manual.** The workshop student manual is available for purchase through the PATH Intl. Store on the PATH Intl. website. Additionally, please come prepared to work around the horses, wearing closed toe shoes and weather appropriate clothing. Breakfast, lunch, and beverages will be provided though out the workshop. There will/will not be drinks and snacks provided on skills test day. If you have any dietary restrictions that you did not note on your registration form, please let me know so we can account for you accordingly. Dream Riders of Kentucky, Inc. is located at 4705 Winkler Road, Philpot, Kentucky. If you have any questions or problems finding us, please feel free to call me at 270 613-0079. We are looking forward to seeing you in October! Separately, ask us about billeting to you expenses, our Mental Health First Aid course on October 4th, and advice on flying into Owensboro directly through Cape Air. Again, please don't hesitate to contact me with any questions or concerns.

Warm Regards,

Beth Wilkerson
